Reviews

It is one of the best books. Indeed, it really is play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Sofia Yundt)

Simon & Schuster. Paperback / softback. Book Condition: new. BRAND NEW, Past Perfect, Susan Isaacs, In "Past Perfect, " Susan Isaacs gives us one of her most glorious characters ever: bright, buoyant, and borderline luscious Katie Schottland. Katie seems to have the ideal life: a great husband, a precocious and winning ten-year-old son, and a dream job -- writer for the long-running TV series "Spy Guys." But all is not as splendid as it should be because writing about the espionage business isn't nearly as satisfying as working in it. Fifteen years earlier, Katie was in the CIA. She loved her job (to say nothing of her boss, the mysterious Benton Mattingly). Yet just as she was sensing she was in line for a promotion, she was fired -- escorted off the premises by two extremely hulking security types. Why? No one would tell her: when you're expelled from the Agency, warm friends immediately become icy ex-colleagues who won't risk their security clearances by talking to you. Until that day, Katie was where she wanted to be. Coming from a family of Manhattan superachievers, she too had a job she not only adored but a job that made her, in the family tradition, a Someone. Fifteen years later, Katie is still stuck on her firing. Was she set up? Or did she make some terrible mistake that cost lives? She believes that if she could discover why they threw her out, she might be at peace. On the day she's rushing to get her son off to summer camp, Katie gets a surprise call from former Agency colleague Lisa Golding. "A matter of national importance," says Lisa, who promises to reveal the truth about the firing -- "if" Katie will help her. Lisa was never very good at truth-telling, though she swears she's...
