

Universe by Design: An Explanation of Cosmology and Creation

By Danny Faulkner

Master Books. Paperback / softback. Book Condition: new. BRAND NEW, Universe by Design: An Explanation of Cosmology and Creation, Danny Faulkner, Some astronomers look at the stars and planets through a telescope. Author Danny Faulkner views them through a biblical perspective in this unique book. Written for the well-read layman from high school through adult, Universe by Design explores and explains the historical development of this science, including current ideas in the field. From a creationist standpoint, Faulkner also addresses common misconceptions, difficulties, and critiques about relativity and cosmology. This book would be an excellent supplement to any home school curriculum.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
