AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. Bilingual. 279 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****.Amharic is a Semitic language that has been used for centuries. Ethiopia is one of the oldest nation and hidden to the world. Amharic Alphabets are used for documenting the old Ethiopian civilization. There are piled of books stored inside of the old Ethiopian Orthodox churches and has a lot of information very important for human kind. By teaching this language it might helping the new generation find out what the old Ethiopian civilization was like. Large Ethiopian communities now live out of there native country s. We have a second generation of children who have grew out of their culture and there communities wishing to return to Ethiopia. However by time are losing day to day communication; there are no culture and language schools in the area. Also there are parents who adopted Ethiopian children and learned the language, culture and heritage of Ethiopia. The parents did this to unite the family and share in learning the Ethiopian way of life. Majority of many people have expressed their wish to learn Ethiopian language included African Americans; Caribbean, European America, those throw out diasporas and who grew outside of there native communities. I started teaching Amharic classes on Saturdays and Sundays. My classes are growing day by day. The Lakech-one Amharic script helps all those who were and still interested in learning Amharic. Lakech-one Amharic script has all the standards which mean the social economic way of living standard of modern societies.
