

On the Team: Count to Tell the Number of Objects (Paperback)

By Caryl McDonald

Rosen Classroom, United States, 2013. Paperback. Book Condition: New. 198 x 196 mm. Language: English . Brand New Book. Skills dealing with counting and cardinality provide essential foundations for beginning math students. Readers learn important topics, such as counting from 1 to 10, comparing numbers, answering how many? questions, counting by 10s, and writing numbers. Each topic is explained in detail using accessible text and colorful images to help readers independently explore these core math concepts. Readers practice their counting skills with the help of players on a team in this volume, which reflects standard K.CC.B.4 of the Common Core State Standards for Mathematics.
