Two hearts, one life-changing summer, and a long-awaited second chance. . . When Quinnlan Reynolds left home at 18, she escaped her small, Georgia town and her suffocating upbringing. She started a new life as a ballerina, and tasted freedom for the first time. But four years later, her first visit home turns tragic. Reeling, Quinn tries to piece her life back together again. But doing so is easier said than done when sexy Jonah Walker saunters back into her life. Quinn shattered Jonah's heart once, so getting involved with her isn't something he's sure he's ready to do again. He became someone he didn't recognize when he left home. He's spent the last years burying his pain by keeping everyone in his life at arm's length. Now he needs to get to know his family again, and finally become who he wants to be. But neither Quinn or Jonah can stay away from each other, especially when old feelings resurface. Something is pulling them back together, and they can't deny their chemistry for long. One Georgia summer could change both their lives forever, if they can work through their past to have a future together. This item ships from La Vergne, TN. Paperback.
