This is a big chunky book about busy little people - come on inside and join them! It features lots of familiar objects and activities to look at, name and copy: see the children reading, eating, drinking, bending, stretching, stroking pets, playing with toys and having fun on the beach. Subjects include Look and Count, Let's Play Ball, Animal Friends, Hats, Let's Pretend, and In the Park. The point-and-say format encourages interactive learning: find seven pairs of happy faces, seek out a teddy bear's red ribbon, find one pineapple, two oranges and three bananas, and touch your nose and toes. It is designed for children and grown-ups to enjoy together, with a wipe-clean padded cover and sturdy board pages. Visually exciting, enjoyable to use and built to last, this is an ideal introduction to the world of books. This is a great first book for little learners. It is full of fun images of children just like them, to see and talk about. Each page is a delightful child's-eye view of the world, with photo scenes of routines, play and friendship. Plus the carefully planned activities will show youngsters just how entertaining a book can be! Find the boy hiding in the picture collage, count the cuddly toys, spot some green and red things, make a noisy roar like a lion, seek the odd one out, and much more. This soft-to-touch boardbook will keep any little person busy!.
