## WHY WE SHOULDN T CALL OUR ANCESTORS SLAVES (PAPERBACK)

Fnc Publishing, United States, 2012. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.3rd Edition- Black history, Psychology, Philosophy, African American History. Why the Africans brought to the Americas under slavery should not be call slaves. It is like an idea whose time has come. This book looks at slavery like no other. It is the paradigm shift we have been waiting for. It is the first book to dispel the stigma of slave from the identity of African Americans. This book is truly revolutionary because it goes against the grain of how we have been educated to view the history of Africans under slavery in the Americas. Racism in America will never be healed until this error is corrected. I first discovered this error in 1990. I was writing an article about slavery. I discovered that the definition had gone virtually unchanged for over one hundred years until 1993 when I first published Why We Shouldn t Call Our Ancestors as a 19 page pamphlet. Over time, this understanding grew from an article, to a pamphlet, to the third edition. And, still, more learning and insights are coming. For a common understanding of the word slave, this book provides a definition and history of the word slave using the American Dictionary of the English Language by Noah Webster (1867), The Webster s New Twentieth Century Dictionary, Unabridged Second Edition (1979) The Henry Holt Encyclopedia of WORD and Phrase Origins...
