Biteback Publishing, United Kingdom, 2014. Paperback. Book Condition: New. 2nd Revised edition. 198 x 129 mm. Language: English . Brand New Book. Seeking escape from the quiet countryside of North Wales, the young James Wharton joined the British Army with adventure on his mind - and he found it - At basic training, boozing and brawling accompany the daily trials of army life, but all the while James faces a battle of his own: he is gay, and finding the courage to tell not only his family and friends but also his fellow soldiers will be the biggest challenge of all. Written with searing honesty, and updated to include a new chapter, James charts his incredible journey from punchbag to poster boy, describing the troubles and trials of coming to terms with his sexuality via late nights in Soho clubs and early mornings at ceremonial events. The first openly gay person to appear on the cover of Soldier, the British Army s official magazine, James has played an active role in developing support networks for gay men and women within the forces. A courageous and candid account from the soldier who escorted the Queen to the wedding of Prince William and Kate Middleton, endured rocket attacks in the deserts of Iraq and served alongside Prince Harry on the plains of Canada - this is James s life out in the army.
