International Labour Office. Paperback. Book Condition: new. BRAND NEW, HIV/AIDS and the World of Work: An Ilo Code of Practice, International Labour Office, International Labour Office Report, International Labor Office, This book is aimed at preventing the spread and mitigating the impact of HIV/AIDS in the world of work. It is built on and around two pillars. The first --which is at the heart of all the ILO's work --is the protection of workers against discrimination. The second is prevention: the workplace is not only an appropriate but an essential place for HIV/AIDS information, education and behavior change. The code provides invaluable guidance to policymakers, organizations and the social partners for forming effective and appropriate workplace and national policy that respects the dignity of all workers. HIV/AIDS in the workplace is a complex issue, and the book covers the key principles surrounding it, such as recognition of HIV/AIDS as a workplace issue, the role of social dialogue, the gender dimension, confidentiality, screening and testing, and adapting jobs and workplaces to the capacities of workers with HIV-related sickness. It looks at the specific responsibilities of governments, workers' and employers' organizations --and includes measures for education, care and support, and training for all with workplace responsibilities. Aiming to promote decent work in the face of the HIV/AIDS epidemic, the code laid out in this volume applies to all working men and women and to all types of work.
