FLUVIAL PROCESSES IN GEOMORPHOLOGY (PAPERBACK)

To download **Fluvial Processes in Geomorphology (Paperback)** PDF, you should access the web link listed below and save the document or have accessibility to other information that are have conjunction with FLUVIAL PROCESSES IN GEOMORPHOLOGY (PAPERBACK) book.

Dover Publications Inc., United States, 1995. Paperback. Book Condition: New. New edition. 216 x 137 mm. Language: English . Brand New Book. This excellent text is a pioneering work in the study of landform development under processes associated with running water. Its primary emphasis is on subjects that were the focus of the authors studies in both field and laboratory. Part I deals with the process of change in the evolving landscape. Part II explores process and form, and Part III, the effects of time. In Part I, the relation of geomorphology to field problems is analyzed in studies of a mountain block in a semiarid climate, a meandering river cut into bedrock, and benches along a sea coast. Part Two contains studies of weathering, climate, and such denudational processes as flooding and erosion. Here, too, are examinations of the drainage basin as a geomorphic unit, water and sediment in channels, channel form and process, and hillslope characteristics and processes. In Part III, the authors cover geochronology, drainage pattern evolution, channel changes with time, and the evolution of hillslopes. Two appendixes will help readers convert units and equivalents, and identify symbols and nomenclature. 1964 edition.
