Since that time it has made a place for itself throughout the country. It is played in junior and senior high schools, private schools, colleges, universities, and organized city and sectional clubs. Hockey enthusiasts from many parts of the United States participate in the yearly national tournaments conducted by the United States Field Hockey Association, and touring teams made up of the best players represent the United States in matches played in foreign countries. Not only because of its enthusiastic leaders and its thorough national and sectional organization but also because of the innate appeal of this fast-moving game, hockey has become the most popular outdoor team sport among American girls and women. Everyone who plays the game acquires a deep personal satisfaction from well-executed strokes and proficiency in her position on the team. Then duties of each of the eleven players on offense and...
