Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

HODGEN LONDON KEGAN PAUL, TRENCH, TRUBNER CO, LTD. NEW YORK E. P. DUTTON CO. 1925 God said I am tired of fangs, I suffer them no more, Up to my ear the morning brings The outrage of the poor, I will have never a noble, No lineage counted great, Fishers, choppers and ploughmen Shall constitute a state PREFACE IT is now five years since the first paragraphs of this book were written. The task seemed an easy one then. Labour Colleges were new and few. Their objectives were well defined, their future clearly indicated in glow ing editorials. The best part of it all to a modern in a hurry to examine, describe and pass on to something else, was the fact that Workers Education seemed to have burst fully grown upon a waiting world, uncom plicated by a bothersome period of youth and delight fully free of educational antecedents, difficult to trace and to value. It was not until an effort was made to press the study beyond contemporary manifestations of working-class demand for education that real obstacles were encountered. Of course, it is hardly fitting for a research worker to complain of poverty of material. His job is to find it anyhow. Hoping, however, that a word to those who have lived and worked in the labour movement may be sufficient, the author would like to mourn the absence of working-class biography. By whom could richer and more significant human records have been kept What lives have been more dramatic than those of the men who...
