Forgotten Books, United States, 2015. Paperback. Book Condition: New. 222 x 148 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Jackanapes Last noon beheld them full of lusty life, Last eve in Beauty s circle proudly gay, The midnight brought the signal sound of strife, The morn the marshalling in arms - the day Battle s magnificently stern array! The thunder-clouds close o er it, which when rent The earth is covered thick with other clay, Which her own clay shall cover, heaped and pent, Rider and horse: - friend, foe, - in one red burial blent. Their praise is hymn d by loftier harps than mine: Yet one would I select from that proud throng. - to thee, to thousands, of whom each And one as all a ghastly gap did make In his own kind and kindred, whom to teach Forgetfulness were mercy for their sake; The Archangel s trump, not glory s, must awake Those whom they thirst for. - Byron. Two Donkeys and the Geese lived on the Green, and all other residents of any social standing lived in houses round it. The houses had no names. Everybody s address was, The Green, but the Postman and the people of the place knew where each family lived. As to the rest of the world, what has one to do with the rest of the world, when he is safe at home on his own Goose Green? Moreover, if a stranger did come on any lawful business, he might ask his way at the shop. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
