Reviews

This publication is worth getting. it was writtern really flawlessly and valuable. Its been designed in an exceedingly easy way and is particularly only right after i finished reading this ebook through which in fact altered me, affect the way i believe.

(Lester Ebert)

DESCARTES

Bolinda Audio, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. The father of modern philosophy, Descartes is still one of the most widely discussed philosophers today. Putting rationalism above all else, he sought to base all knowledge of the world on a single idea: I think, therefore I am. This introduction expertly summarises his thoughts on the dualism of mind and body, his proofs for God s existence, and his responses to scepticism. Explaining how his life informed his philosophy, Bracken demonstrates the philosopher s enduring significance.
