

Production and Efficiency Analysis with R: 2015

By Andreas Behr

Springer International Publishing AG. Paperback. Book Condition: new. BRAND NEW, Production and Efficiency Analysis with R: 2015, Andreas Behr, This textbook introduces essential topics and techniques in production and efficiency analysis and shows how to apply these methods using the statistical software R. Numerous small simulations lead to a deeper understanding of random processes assumed in the models and of the behavior of estimation techniques. Step-by-step programming provides an understanding of advanced approaches such as stochastic frontier analysis and stochastic data envelopment analysis. The text is intended for master students interested in empirical production and efficiency analysis. Readers are assumed to have a general background in production economics and econometrics, typically taught in introductory microeconomics and econometrics courses.
