Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

Random House USA Inc, United States, 2015. Paperback. Book Condition: New. 229 x 229 mm. Language: English . Brand New Book. A classroom guinea pig finds a way to plant his own garden in this funny tale of pumpkins and patience. After watching the first graders grow plants from seeds, Hercules, the class guinea pig, is inspired. He wants to grow things, too! With the help of a rabbit named Daisy, Hercules plants his seeds and waits. And waits and waits. . . . He learns that growing things takes more than seeds and soil, sun and rain. It takes patience. But sometimes having to wait makes the reward even sweeter. Duke s story brims with humor of both the classroom and animal-buddy varieties, and her featherlight paintings capture every ounce of Herky s enthusiasm, impatience, and eventual satisfaction. PW, starred review From the Hardcover edition.
