Brand New Book ***** Print on Demand *****.Imperial horse soldiers at war When the First World War broke out in the summer of 1914, the eyes of the world turned towards the great events which were unfolding in Europe as the Imperial German Army swept across Belgium and France and the allied armies of France, Belgium and the British B.E.F retreated towards Paris. This was, however, a truly global conflict which would also embrace the colonies of all the warring nations. In eastern and western Africa, British and German colonists found themselves on different sides and hostilities immediately broke out over terrain that was wild, difficult to traverse and inhabited by dangerous animals. In the west, Germany occupied the country now known as Namibia—a dry, barren desert landscape that favoured neither army. The outset of this campaign was complicated by a doomed rebellion by radical Boers who sought to ally themselves with the German cause in hopes of regaining some of the autonomy lost as a consequence of the Anglo-Boer War concluded a decade or more previously. Eventually, an expeditionary force was mounted under...
