Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

(Cathrine Larkin Sr.)

I REMEMBER YOU

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, I Remember You, Harriet Evans, Rich, witty and moving, I Remember You is for anyone who likes to dream about a new life - and for anyone who still remembers their first love. For Tess Tennant, spring brings the promise of a fresh start. She's moving back to her picture-perfect home town to take up a teaching job. Langford is a place of pretty stone cottages, friendly locals in oak-beamed pubs and of course Adam, her best friend since childhood. But Adam is preoccupied with a new girlfriend, and the past - which Tess thought she'd put behind her - is looming large again. So by the time she has to take her class on a trip to Rome, Tess is feeling reckless. She is swept off her feet by a mysterious stranger, and finds herself falling in love. But her magical Roman Holiday is about to turn into a nightmare. Back in Langford Adam is gone and everything has changed. Tess has to decide, once and for all, where she belongs and with whom.
