*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

It contains scripture memory verses for the group members, Bible application (as opposed to Bible Study), and a weekly devotional for the small group leader. This resource is unique in that it doesn t just teach a group of believers about the importance of biblical community, it challenges them to enter into a deeper relationship with one another with the questions and gives them opportunities to serve one another between meetings. Small groups are about relationships, not another meeting, right? This resource will draw a small group closer to one another, fulfilling the second part of the Great Commandment.
