

Death Was Never an Option!: A Humorously Serious Story on Defeating Cancer and Blindness (Paperback)

Filesize: 9.43 MB

Reviews

*A new eBook with a brand new point of view. It really is written in basic words and not confusing. I discovered this publication from my i and dad recommended this book to find out.

DEATH WAS NEVER AN OPTION!: A HUMOROUSLY SERIOUS STORY ON DEFEATING CANCER AND BLINDNESS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In May of 1977 I had reached all of life's goals I had set for myself. I had a wonderful husband, two beautiful, healthy children, a boy and recently a girl, and a career as a college physical education instructor. I lived in a typical, suburban neighborhood with a station wagon and a dog. I was financially stable - the world was at my feet. My only problem was an annoying cough that for some reason wouldn't go away. A month later I would find that my perfect world was about to be shattered. In fact, it had come crashing down upon me. I was diagnosed with Stage IV of Hodgkin's Disease, lymphatic cancer, and was told that at that time that I had only three months to live. Suddenly I was faced with the challenge of a lifetime. I underwent major surgery, massive radiation treatments, grueling chemotherapy and worst of all ten months of blindness. Through it all I refused to let the disease get the better of me, continuing to participate fully in my life as a wife, mother and career woman. To me, humor and staying in good physical shape would become the two most important components for facing this insidious enemy. From diagnosis through recovery and on to a rich rewarding transformed life, Death Was Never An Options! is a straightforward and honest, often moving and surprisingly funny look into a candid account of a battle with cancer and loss of sight. Moments of fear, frustration, embarrassment, love, and joy are captured on each page. Approaching every obstacle with optimism and humor, this story celebrates life and the...
