

Fiendish Schemes

Filesize: 3.26 MB

Reviews

An extremely amazing publication with lucid and perfect answers. It is written in easy phrases instead of confusing. I am just very happy to inform you that this is the best pdf we have read in my own daily life and can be the greatest publication for at any time.

FIENDISH SCHEMES

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 132 mm. Language: English . Brand New. In 1986, K. W. Jeter coined the term steampunk, applying it to his first Victorian-era science fiction alternate-history adventure. At last he has returned with a new tale of George Dower, son of the inventor of Infernal Devices, who has been in self-imposed exile accumulating debt. The world Dower left when he went into hiding was significantly simpler than the new, steam-powered Victorian London; a mad whirl of civilization filled with gadgets and gears in the least expected places. After accepting congratulations for his late father s grandest invention a walking, steam-powered lighthouse Dower is enticed by the prospect of financial gain into a web of intrigue with ominously mysterious players who have nefarious plans about which he can only guess. If he can make his father s Vox Universalis work as it was intended, his future is assured. But his efforts are confounded by the strange Vicar Stonebrake, who promises him aid, but seems more interested in converting sentient whales to Christianity than in helping George. Drugged, arrested, and interrogated by men, women, and a steam-powered Prime Minister, Dower is trapped in a maelstrom of secrets, corruption, and schemes that threaten to drown him in the chaos of this mad new world. This is the real thing a mad inventor, curious coins, murky London alleys, and windblown Scottish Isles . A wild and extravagant plot that turns up new mysteries with each succeeding page. James P. Blaylock on Infernal Devices Jeter is a modern Arthur Conan Doyle . [Fiendish Schemes] reads [like] a Sherlock Holmes adventure. Tee Morris, author of the Ministry of Peculiar Occurrences series.
