Few people who have been slave to an addiction as vicious, as destructive, and as unrelenting as Colin Broderick s have lived to tell their tale. Fewer still have emerged from the darkest depths of alcoholismfrom the perpetual fistfights and muggings, car crashes and blackoutsto tell the harrowing truth about the modern Irish immigrant experience. Orangutan is the story of a generation of young men and women in search of identity in a foreign land, both in love with and at odds with the country they ve made their home. So much more than just another memoir about battling addiction, Orangutan is an odyssey across the unforgiving terrain of 1980s, 90s, and post-9/11 America. Whether he is languishing in the boozy squalor of the Bronx, coke-fueled and manic on the streets of Manhattan, chasing Hunter S. Thompson s American Dream from San Francisco to the desert, or turning the South into his beer-soaked playground, Broderick plainly and unflinchingly charts what it means to be Irish in America, and how the grips of heritage can destroy a man s soul. But brutal though Orangutan may be, it is ultimately a story of hope and redemption. It is the story of an Irish drunk unlike any you ve met before.
