This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

THE BRIDGE OF DARK TEARS

Ransom Publishing. Paperback. Book Condition: new. BRAND NEW, The Bridge of Dark Tears, Peter Lancett, "The Bridge of Dark Tears" is part of an award-winning fiction series for young adults with a reading age as low as 5-7. Each book features Dark Man, a shadowy, brooding loner who has been recruited to play a part in a secret, cataclysmic struggle between good and evil. In the "Bridge of Dark Tears", a black crumbling bridge is guarded by a fire-breathing demon. The bridge is invisible to most, but Josie can see things others cannot. She guides the Dark Man to the bridge. They see children being drawn across it. They are slaves to the shadow masters. Can Dark Man fight this terrible evil and destroy the bridge of dark tears? Following on from the shorter stories of the first twelve titles, the new books offer the perfect 'next step up' with stories of around 1000 words. Written at much the same level of difficulty, the stories entice readers by delving that bit deeper into the Dark Man mythology. The simple, carefully written texts focus on the 200 key high frequency words, and to assist the reader they are left justified throughout and printed in a clear, legible font on off-white paper (ideal for dyslexic readers).
