Findhorn Press Ltd. Paperback. Book Condition: new. BRAND NEW, Voyage of Purpose: Spiritual Wisdom from Near-Death Back to Life, David Bennett, Cindy Griffith-Bennett, By relating one man's amazing tale of triumph over death on multiple occasions, this book brings a fresh perspective to near death experience literature. David Bennett, once a brash young commercial diver whose personal philosophy was "cut your way through life to survive," was caught in a violent storm off the California coast one night where he drowned. While technically "dead," he met beings of light, relived his life, and peeked into his future, resulting in a complete paradigm shift for him. Later, he discovered he had stage IV lung and bone cancer-so advanced that his spine collapsed. Miraculously, he survived once again, and this second close call taught him even more about living, loving, and how to find purpose in his life. Voyage of Purpose brings readers right into the heart of the near-death experience, including the sensations of dying, being surrounded by the light, and meeting the Soul Family. Part memoir and part guide for achieving spiritual growth, this book shows how to integrate the most traumatic of incidents into one's spiritual path in order to live a more meaningful life.
