Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Sam was a small boy the smallest in his class. And he couldn't catch a ball or even throw a pass. How can a small boy named Sam feel larger than life? All he needs to do is spend a day on the golf course with his dad. Sam and his Dad is the delightful rhyming book for readers ages five- to fifteen-years-old that teaches them how to gain confidence in life, while always doing the right thing. Young Sam is so small that the other kids in school will not invite him to play any sports. When his father takes him on the golf course for a day, he soon learns that he has skills that have nothing to do with being big or small. Not only that, but Sam discovers that some of the most important skills he has have more to do with making good choices in life. As Sam travels the golf course, children everywhere will learn important lessons about sportsmanship, fair play, and growing up, no matter what size they are on the outside. Join Sam and his dad on the golf course, and discover what it really means to hit it right!.
