

## A Brighter Future: Improving the Standard of Living Now and for the Next Generation (Paperback)

By Richard P. F. Holt, Daphne T. Greenwood

Taylor Francis Inc, United States, 2014. Paperback. Book Condition: New. New.. 234 x 188 mm. Language: English . Brand New Book. As the United States continues its slow climb out of the Great Recession, it is important to focus on new directions to improve the standard of living in America. This book explores what is behind a faltering standard of living in the United States since the early 1980s and what can be done to restore it. The book is uniquely valuable in going beyond mainstream thinking about how to restore prosperity. Economics has traditionally equated economic growth (increases in per capita income) with improvements in quality of life and the standard of living. This book questions that assumption. The different chapters in the book show the standard of living as being more than income, to include many non-market aspects such as access to public goods (roads, clean air and water, schools, parks, and museums), intangible aspects of quality of life such as equity and a sense of community, and broadly based economic opportunities. This means that improving the standard of living is a multi-dimensional challenge rather than one of solely increasing aggregate demand, productivity, or GDP. This book embodies...
