PREFACE Truth has accumulated many attributes, but it remained for the greatest struggle of humanity to place it among high explosives and poison gas as munitions of war. For the first time in the history of military operations the truth was used as an effective weapon. It was to organize its use by the Army of the United States that my husband sailed for France on Bastille Day, July 14, 1918, with a group of six Intelligence officers. They were directed first to establish relations with the Propaganda Boards of France, England, and Italy, then to proceed to General Headquarters, A.E.F., and assemble the machinery for a propaganda drive over the enemy lines during the autumn of 1918. The following winter, the closed season for military offensives, they originally planned to devote to intensive work among the peoples and armies of Austria-Hungary and to return to their attack on German morale with the Army s promised offensive in the spring of 1919. It was an ambitious programme, -- one that savored of impudence on the part of so small and inexperienced a band, -- but they went like young crusaders, determined to slay dragons and overcome evil.TTheir plans were changed by Foch s sudden swing from defense to attack in the summer of 1918, which called for immediate activity on the Western Front. Before they left America, the Administration, recognizing that the machinery for their work was wholly military, had directed that the...
