Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.An introduction to coding for beginners. This book shows you how to take advantage of the Google App Script environment to learn Javascript coding. No software or special hardware is required - just an internet connection and a Google account. The book walks step-by-step through the process of writing a simple math game using Google Sheets. Once you have completed the project you will have the knowledge and confidence to work through the other projects on the Learn Coding with Google site and be comfortable with basic Javascript. Written with kids in mind, the book is accessible to anyone wanting to learn how to code and would be especially beneficial to upper-year elementary school teachers.
